UNITEK Y-6333C01 HDMI to VGA Adapter

Product Information

Specifications:

- Model: Y-6333C
- Cable Length: 15cm
- Supports Resolutions up to 1920×1080@60Hz (1080p Full HD)
- Compatibility: Windows XP or later, Mac OS X or later, Linux
- Output Parameters: HDMI port supporting 1080P

Product Overview

The HDMI to VGA Adapter allows you to connect your VGA monitor to a device with an HDMI output, supporting resolutions up to 1920×1080@60Hz (1080p Full HD).

Safety Notes

UNITEK assumes no liability for damage resulting from improper installation, improper use, or failure to follow operating instructions and safety notes.

Warranty Disclaimer

There is no warranty provided by UNITEK for damage caused by improper handling or use of the product.

Technical Data

The adapter is compatible with PC, Laptop, and Tablet systems running Windows XP or later, Mac OS X or later, or Linux.

Note

The cable is unidirectional.

Service and Support

For further support information, visit: www.unitek-products.com

Email: support@unitek-products.com

Disposal Information

The crossed out trash can sign indicates that the equipment should not be disposed of with regular waste. Follow local government guidelines for proper disposal.

Product Usage Instructions

Connection Setup:

1. Connect the VGA end of the adapter to your VGA monitor.
2. Connect the HDMI end of the adapter to your computer's HDMI port.

Operating System Compatibility:

The adapter is compatible with Windows XP or later, Mac OS X or later, and Linux operating systems.

Resolution Settings:

Ensure that your device's display settings are configured to support resolutions up to 1920×1080@60Hz for optimal performance.

Frequently Asked Questions (FAQ)

1. Q: Is the HDMI to VGA Adapter bi-directional?

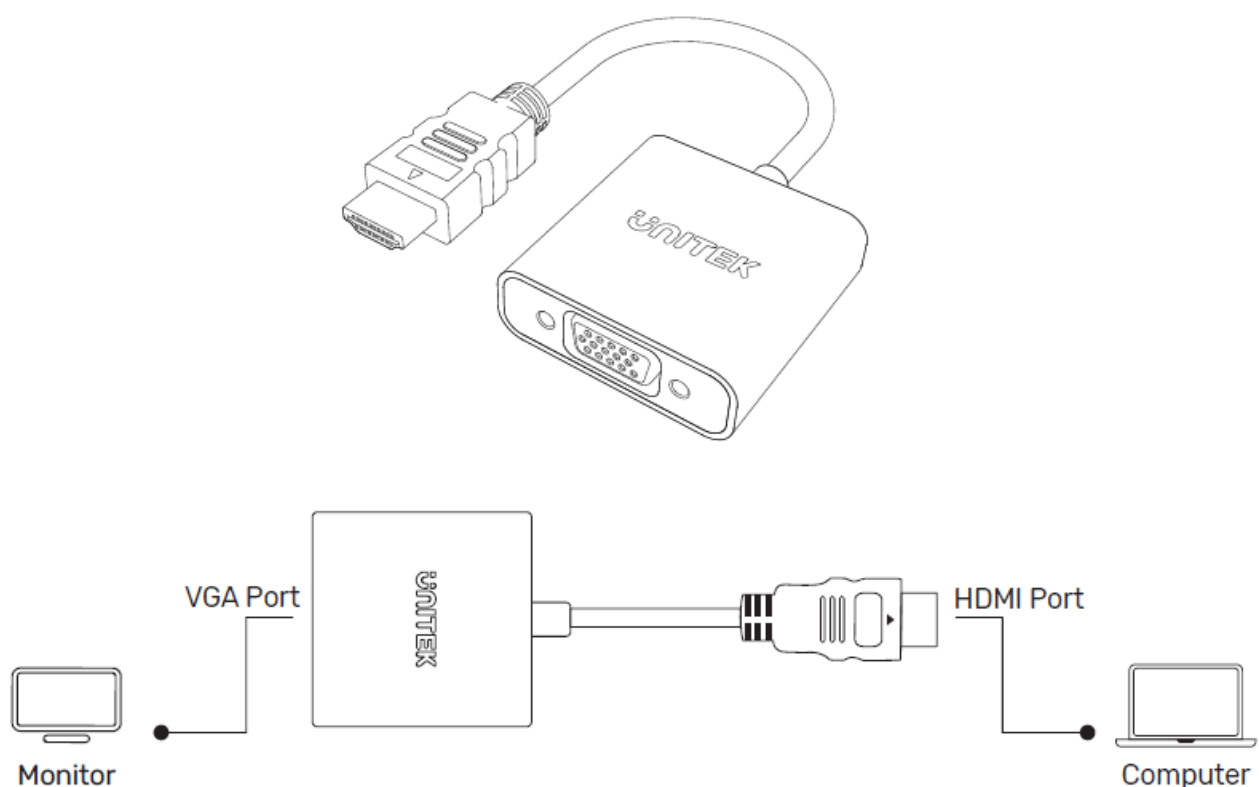

A: No, the cable is unidirectional and designed to convert HDMI output to VGA input only.

2. Q: What systems are supported by the adapter?

A: The adapter is compatible with PCs, laptops, and tablets running Windows XP or later, Mac OS X or later, and Linux.

Product Overview

Cable Length: 15cm

Package Contents

- HDMI to VGA Adapter
- User Manual

Safety Notes

- Do not attempt to service or repair the product yourself. Leave any and all service work to qualified experts.
- Do not open the device or continue to operate it if it becomes damaged.
- Do not modify the product in any way. Doing so voids the warranty.
- Keep this product, like all electrical products, out of the reach of children!

Warranty Disclaimer

UNITEK assumes no liability and provides no warranty for damage resulting from improper installation/mounting, improper use of the product or from failure to observe the operating instructions and/or safety notes.
