

Lexmark CS417dn

CS417dn

Fantastic color. Faster. With PANTONE® accuracy.

Save money by printing your color documents and images in-house.

The CS417dn produces images and documents with PANTONE color accuracy at higher speeds—up to 32 pages per minute. It boasts a 2.4-inch color LCD screen, keypad, advanced security and front USB port. Includes mobile print capability.*

Brilliant, accurate color-faster

The CS417dn offers color-matching tools and PANTONE calibration to make it easy to get consistently accurate color output at up to 32 pages per minute, so you can save time and money by creating color prints and documents in-house. Thanks to a dual-core processor and 256MB of memory (upgrades up to 2.5GB), even complex documents with graphics and images print quickly. The CS417dn can deliver the first color page in as little as 10 seconds.

Security

Mobility

Security, plus Confidential Print. Mobile print capability.

Tested and proven network security features and protocols protect your device, information and network from unauthorized access. Keep your sensitive documents safe by enabling the Confidential Print feature, which requires entering a customized, unique PIN on the device's keypad before the document can be printed.

Print from mobile devices using an optional Wi-Fi adapter or Lexmark's free Mobile Print app.

Comprehensive warranty

The affordable CS417dn is so well made, we back it with a solid 1-year warranty that offers you multiple ways to obtain help: phone, email, live chat and remote assistance. Plus, if your device ever fails, we'll ship you a replacement device through our Advanced Exchange program so you're up and printing again as quickly as possible. See Statement of Limited Warranty for details.

High Yield cartridges offer lower cost per page

The CS417dn can use available High Yield cartridges to produce up to 3,500 color pages and 6,000 black pages. They never require shaking, which minimizes interruptions and keeps your work moving. Lexmark's print system and exclusive Unison™ Toner ensure consistent print quality throughout the life of the cartridge to prevent wasted prints.

User-friendly

The CS417dn makes everything easy, thanks to its networking and full compatibility with nearly every operating system and network, so you'll be up and running in minutes.

It's built to last, so you'll easily be able to print up to 6,000 pages per month, thanks to our state-of-the-art paper handling technology and long-life consumables.

Monitor operating status and supply levels on the printer's easy-to-use, 2.4-inch color LCD screen or from a remote location via its web interface. Add up to two extra paper trays to boost input to 1,450 pages for fewer interruptions.

Eco-friendly

Built-in two-sided printing reduces paper use. The instant warm-up fuser saves energy and delivers the first color page as fast as 10 seconds. Select an energy-saving mode (Quiet, Hibernate or Eco) to automatically minimize noise and energy consumption.

Lexmark CS417dn features

Product specifications		Lexmark CS417dn
Printing		
Display		2.4-inch (6 cm) color LCD display
Print Speed: Up to ⁵		Black: 32 ppm / Color: 32 ppm
Time to First Page: As fast as		Black: 9 seconds / Color: 10 seconds

Size (in. - H x W x D) / Weight (lb.)		11.5 x 17.4 x 16.0 in. / 45.2 lb.

¹Average continuous black or continuous composite CMY declared cartridge yield up to this number of standard pages in accordance with ISO/IEC 19798. ²Recommended Monthly Page Volume² is a range of pages that helps customers evaluate Lexmark's product offerings based on the average number of pages customers plan to print on the device each month. Lexmark recommends that the number of pages per month be within the stated range for optimum device performance, based on factors including: supplies replacement intervals, paper loading intervals, speed, and typical customer usage. ³Maximum Monthly Duty Cycle³ is defined as the maximum number of pages a device could deliver in a month using a multishift operation. This metric provides a comparison of robustness in relation to other Lexmark printers and MFPs. ⁴Printers are sold subject to certain license/agreement conditions. See www.lexmark.com/printerlicense for details. ⁵Print and copy speeds measured in accordance with ISO/IEC 24734 and ISO/IEC 24735 respectively (ESAT). For more information see: www.lexmark.com/ISOspeeds. ⁶Actual Yield may vary based on other factors such as device speed, paper size and feed orientation, toner coverage, tray source, percentage of black-only printing and average print job complexity. ⁷Product functions only with replacement cartridges designed for use in a specific geographical region. See www.lexmark.com/regions for more details.
