

CHAPTER 5.

SWIMMING

A swimmer in a pool, wearing a swim cap and goggles, is captured in a dynamic pose, possibly during a stroke. The water is splashing around them, creating a sense of movement and energy. The swimmer is wearing a dark-colored swimsuit.

START DESIGNING

DESIGNING HAS NEVER BEEN SO EASY.

Orca offers four different styles so that you can combine different colors to create the best gear for your club.

If you have your own design, we will customize it for you. Contact info@orca.com and we'll walk you through the entire process.

orcaCUSTOM

CLASSIC STYLE

Inspired by the classic designs of athletes from the 60s-70s, this design is a staple that will never go out of style.

orcaCUSTOM

SPEED STYLE

With a well thought-out and futuristic design, this style is modern and elegant, perfect for those who shy away from simple designs.

orcaCUSTOM

WAVE STYLE

With this original print, inspired by the force of the water, you keep your team's colors and give them a modern twist.

orcaCUSTOM

FLUID STYLE

Keeping with the smooth lines of Orca designs, this style maintains the essence of the brand in a simple and elegant way.

SWIMMING

The Orca swim range is comfortable and stretchy, providing you with total freedom of movement and fitting to your body like a second skin. In addition, its structure and design reduce water absorption to decrease resistance and increase your speed with each stroke.
