

CHAPTER 5.

CYCLING

A male cyclist is shown in a dynamic, forward-leaning position on a mountain bike, navigating a trail through a dense forest. He is wearing a black long-sleeved cycling jersey with the 'ORCA' logo on the chest, black shorts, a blue and black helmet, and sunglasses. His expression is one of intense focus. The background is filled with lush green ferns and foliage, creating a sense of being deep in a forest. The lighting is natural, highlighting the textures of the cyclist's gear and the surrounding vegetation.

JACKET

This garment was developed with three fabric membranes which make it the perfect solution for the most adverse weather conditions, protecting you from water and wind without compromising breathability. Despite being a thicker winter garment, the elasticity of its fabric does not limit your movement. Specifically designed for those that don't let the weather hold them back.

MEN JKBDTTMM
Sizes: XS, S, M, L, XL, XXL, XXXL

WOMEN JKBETTMM
Sizes: XS, S, M, L, XL, XXL

PROTECTION

The multilayer fabric completely insulates you from wind and water thanks to its inner layer, while allowing your skin to breathe. It maintains your body temperature for optimal performance.

COMFORT

The new design in the wristbands provides a better fit and seal in the garment. Despite its insulating properties, the elasticity of the fabric makes this the perfect gear for winter so that you can still enjoy cycling in lower temperatures.

VISIBILITY

The reflective panels on the sides and back give you extra visibility when the sun goes down or on the darkest days.

LONG FLEECE BIB

These high-performance bib tights are designed to provide maximum protection on the coldest days without limiting your freedom on the bike. Designed with the 4D Winter Stretchskin fabric, it fits perfectly to your body like a second skin. High-performance gear for cold winter days.
