Legal-sized Platen

+2 Paper Feeder (Option)

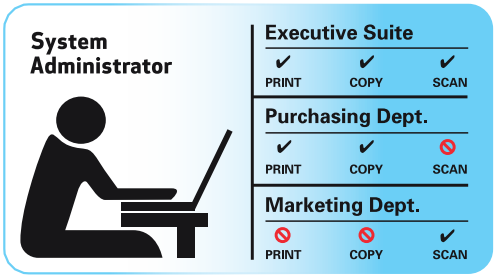
ADVANCED TECHNOLOGIES FOR YOUR OFFICE

Print On-the-Go

Print a variety of file types, Web pages, and images on-the-go with **Canon PRINT Business**,† **Apple AirPrint**,†† **Mopria Print Service**,††† and **Google Cloud Print**■ using your compatible mobile device. You can also scan hard-copy originals to your mobile device using Canon PRINT Business.

Department ID Management

The imageCLASS MF515dw features password-protected Department ID Management. To help reduce costs, device usage can be monitored and controlled for up to 300 IDs.



Environmentally Conscious

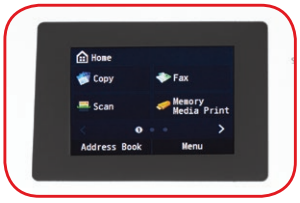
Help decrease power consumption and energy costs with Canon's efficient Energy Saving mode. In this mode, the MF515dw uses less than two watts of energy and meets ENERGY STAR® guidelines.

Secure Print

The imageCLASS MF515dw features Secure Print to help protect the privacy of your printed documents.

Color, Touch-Panel LCD

The intuitive, seven-line, color, touch-panel LCD allows users to navigate through the menu seamlessly. The user-friendly wide-screen and color display are easy to read, helping you to complete tasks more quickly.



* Wi-Fi® is a registered trademark of the Wi-Fi Alliance®. The Wi-Fi CERTIFIED™ Logo is a certification mark of the Wi-Fi Alliance®.

** Print speed is based on internal testing. Print speed may vary depending on the number of copies selected as well as the settings for size, type, and orientation of paper.

*** May vary based on the output environment.

† Canon PRINT Business is a free app available on the App Store® and Google Play™ Store. Users of Canon Mobile Printing can simply update the app to use Canon PRINT Business; users who have installed Canon Mobile Scanning for Business should install Canon PRINT Business on their compatible device. After Canon PRINT Business is installed, users can re-register their Canon Mobile Scanning for Business device list and local documents.

†† Apple AirPrint functionality requires an iPad, iPad Mini, iPad 2, the new iPad, iPhone 3GS or later, or iPod touch 3rd generation or later device running iOS 7.0 - 8.0 or later, and an AirPrint-enabled printer connected to the same network as your iOS device. A printer connected to the USB port of your Mac, PC, AirPort Base Station, or Time Capsule is not supported.

††† Mopria Print Service, available free at the Google Play Store, requires a compatible Android 4.0 or later smartphone or tablet. The printer must be either wirelessly connected to the network router or with an Ethernet cable. The mobile device and printer must be connected to the same network.

■ Google Cloud Print requires an Internet connection and Google Account. Printer firmware update may be necessary for Google Cloud Print™ function. Certain exceptions may apply. A PC running Windows XP or later or a Mac running OS 10.4.11 or later and USB cable are required to perform firmware update.

■■ Based on 20 lb. Bond paper.
