

ROLLER TOOL CABINETS

EGA MASTER roller cabinets are the ideal solution for tool storage in industrial environments, providing extra resistance and longer durability. Designed for the most demanding use, they offer smooth movement and maximum load capacity.

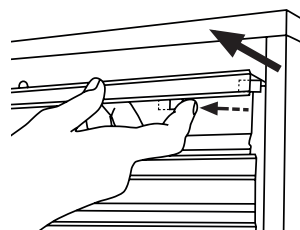

Available in
4 colors

6"x2"
For the best
stability

1. Each drawer provides easy transportation and storage, with increased levels of safety coming from the **Anti-overturn system** which has individual safety opening buttons on each drawer.

2. Manufactured in **high-quality steel**.

3. The **central locking system** ensures maximum anti-theft security and prevents undesired opening of the cabinet.

4. The reinforced heavy duty structure provides **800Kg** of static capacity.

5. **Safety stacking area** that means a 51072 chest can be securely located.

10mm.

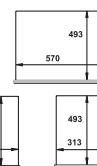

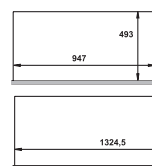

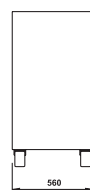

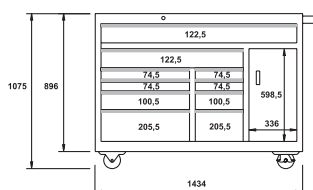

6. Protecting **EVA foam** in drawers.

7. **Four tough castors** enable smooth transportation, two of them have brakes and swivel. **6"x2"**.
