HOW TO OPERATE BLUETOOTH E-SCORER

1. Install Batteries:

Battery Box: Remove the battery cover and insert 3 "AAA" Batteries into the battery box. (3 "AAA" Batteries not included.).

2. Reminding:

- Batteries must be installed according to the correct polarization (+ and -) required.
- Please clean the battery contacts and also those of the device prior to battery installation.
- If the game will not be used for a long period of time, we recommend that the batteries should be removed.

3. Download APP for bluetooth E-scorer

- Download the App file "hockeyTennisN.apk" to your smartphone from the website <https://www54.zippyshare.com/v/3C14hkN8/file.html>, or scan the below QR code below.
- Follow the on-screen instructions to install the App.

Phone System Requirements:

Android 5.0 / 16G and above.

4. Bluetooth settings

- Turn on the main device, open the "2IN1 SCORER" APP on the phone and then the main device will automatically pair to the phone.
- Only one main device can be paired to the phone at a time.
- Only open the APP on one phone at a time otherwise the main device will be interrupted.
- Keep the phone within 3 meters of the main device to ensure constant Bluetooth connectivity.

Note: If the main device is not paired within 10 minutes, it will turn into sleep mode. Press the "TT" score button to wake up or restart the main device by using the button "ON/OFF"

HOW TO PLAY?

HOCKEY

- Edit the name for "PLAYER 1" and "PLAYER 2".
- Take a photo or choose a picture from album.
- Choose either 3 or 5 minutes for the game time.
- Press "START" to play the game.
- When the "PLAYER 1" scores, the display on the "PLAYER 1" side increases by 1.
- When the "PLAYER 2" scores, the display on the "PLAYER 2" side increases by 1.
- The winner is the first player to reach 100 points, or the player with the highest score when the game time ends.

Note: Press "RESTART" to reset the scores to zero.

Note: Press "RESTART" to reset the scores to zero.

Note: If the game becomes slow or unresponsive, change the batteries.

Note: Remove the batteries when the main device is not in use.

TABLE TENNIS

- Edit the name for "PLAYER 1" and "PLAYER 2".
- Take a photo or choose a picture from album.
- Press "START" to play the game.
- When the "PLAYER 1" scores, press the "TT" score button and the display on the "PLAYER 1" side will increase by 1.
- When the "PLAYER 2" scores, press the "TT" score button and the display on the "PLAYER 2" side will increase by 1.
- The winner is the player who first scores 11 points, unless both players score 10 points. Then a game will be won by the first player to gain a two point lead.
- If you press the "TT" score button in error, press it for 5 seconds to return the score
