About us

E. FETAYA LTD Company was established in 1964 by Eliyahu and Sarah Fetaya, seniors of the electricity industry in Israel.

The company is engaged in manufacturing, importing and marketing of electro-mechanical and lighting products for the electrical industry.

E. FETAYA LTD Managed in High standards of ISO-9001: 2008 Quality Management Systems under the supervision of the SII – Standards Institution of Israel. The company is authorized for the latest ISO-9001 standard.

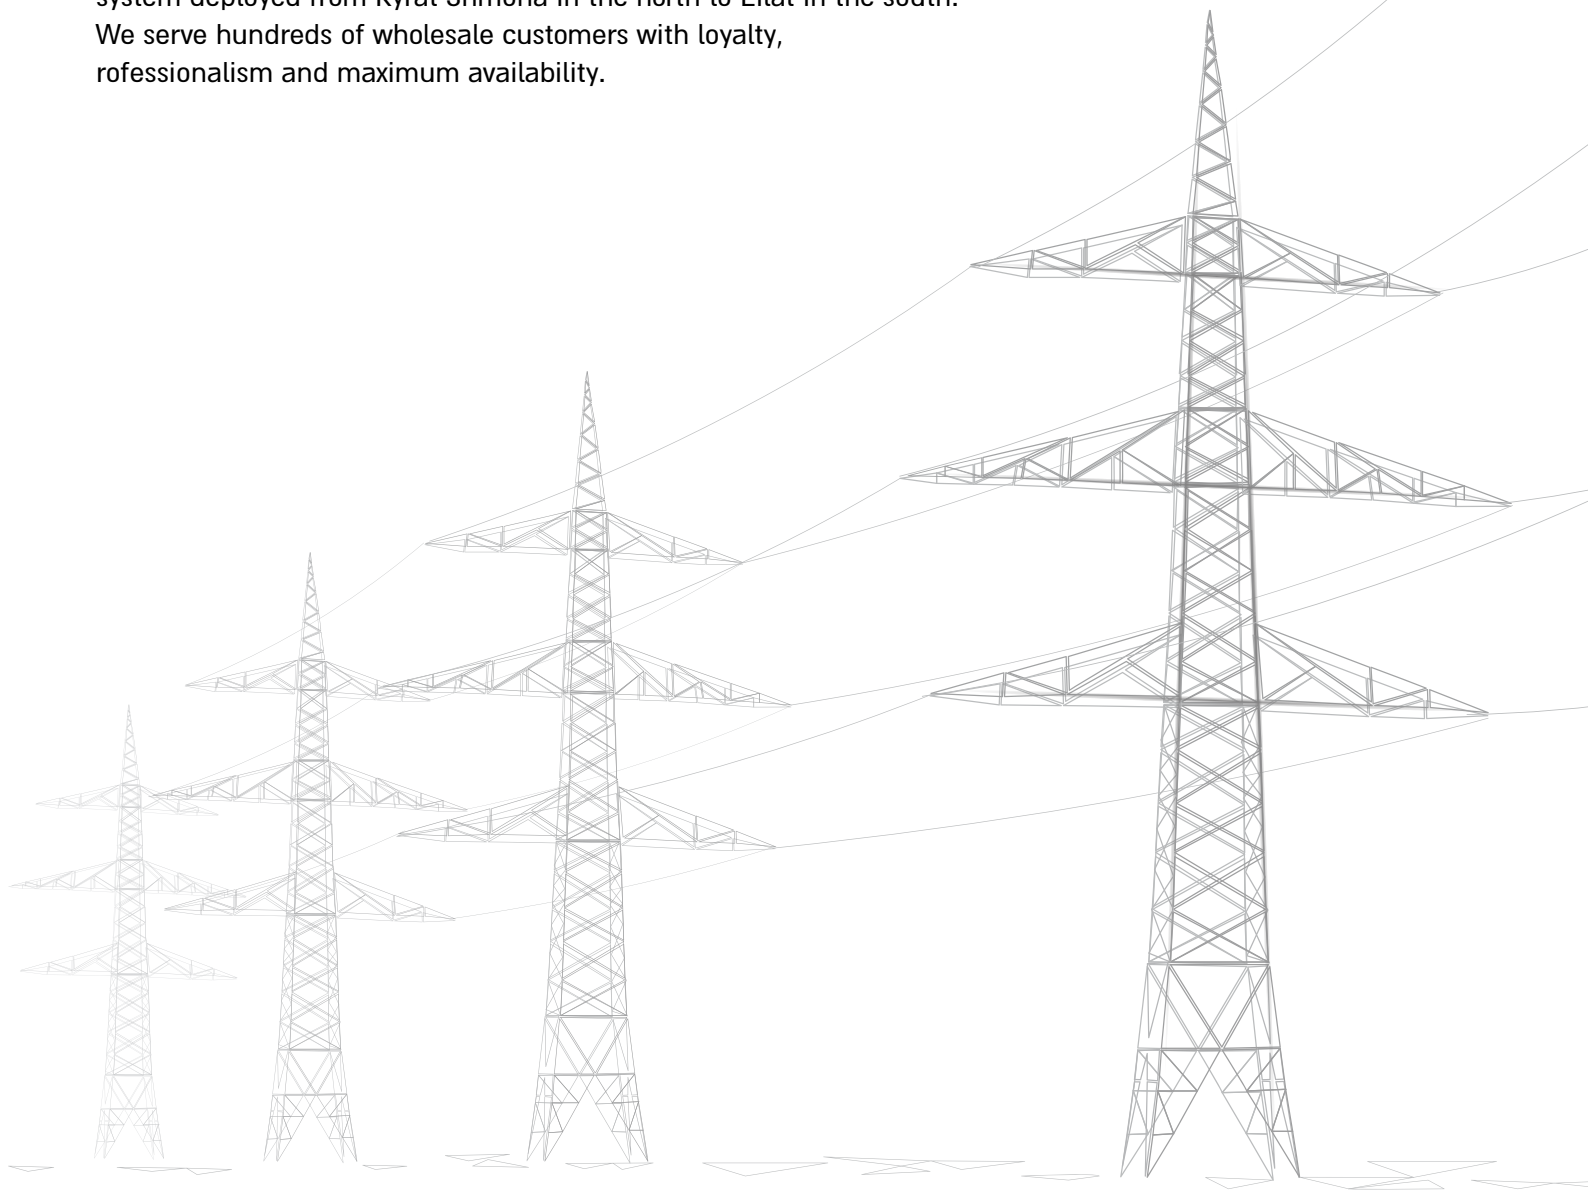

For about twenty years E.FETAYA LTD is being managed by Mr. Ofer Fetaya (the founder's son) within strict high standards and full commitment of developing unique and innovative products.

The company offers a wide and varied product basket that includes: lighting fixtures, sockets, switches and complementary electrical accessories.

The company is located in the new industrial area in Rishon Le Zion in a sophisticated and advanced factory that employs dozens of professional skilled workers together with special needs workers all through production chain.

For our customers' satisfaction, we provide the best level service, and we have established a skilled marketing system deployed from Kyrat Shmona in the north to Eilat in the south.

We serve hundreds of wholesale customers with loyalty, professionalism and maximum availability.

Our company invested greatly in the CLICK SWITCH series development.

CLICK SWITCH

The CLICK SWITCH series has many and varied accessories that are suitable for installation in a rectangular or round box (55)

Refined and innovative design suitable for any home and office space.
(Clean and innovative design)

It is possible to install different frames, in different designs and colors on the same adapters in the wall.

The adapters are designed and manufactured from a particularly strong and very stable material on the wall.

Available at White and mat Black colour
