Widen your printing possibilities

When high expectations are an everyday demand, rise to the challenge with this versatile, wide-format all-in-one. Print, scan, and copy in standout colour on a variety of paper sizes from A4 to A3. Easily fax documents up to 21.6 x 35.6 cm. Create professional-quality marketing materials right in the office, at up to 50% less cost per page than colour lasers.¹ Keep work moving with a range of tools, and stay connected with easy mobile printing.²

Who can benefit?

Professionals in small to medium-size businesses who need to print high-quality documents and marketing materials in a variety of sizes will appreciate the versatility of this affordable all-in-one. Built-in wireless and Ethernet capabilities make it easy to access, print, and share the all-in-one features on a network.³ This reliable device was designed for volumes up to 1,500 pages per month.⁴

Key benefits at a glance

Handle virtually any office paper format with this professional, full-featured all-in-one that prints, scans, copies, and faxes. Produce low-cost, high-quality prints with stunning colour graphics and deep black text—perfect for client presentations and bold documents. Easily print when and where you need to from your mobile device.²

High-impact A3 printing

- Print impressive marketing materials in a wide range of sizes—from 7.6 x 12.7 cm to A3.
- Breeze through tasks with fast print speeds up to 22 ppm black, up to 18 ppm colour,⁶ and automatic two-sided printing up to 12 ppm black, up to 10 ppm colour (A4).⁶
- Save time and work hands-free with single-pass, two-sided scanning, copying, and faxing. The 35-page ADF handles documents up to 21.6 x 35.6 cm.
- Tap and swipe the smartphone-style colour touchscreen for timesaving shortcuts, and easily manage print, scan, copy, and fax jobs directly at the printer.
- Support high-volume office printing with a paper input capacity of up to 500 sheets with two 250-sheet paper trays (included).

Present professionally. And affordably.

- Produce standout, high-quality colour prints that cost up to 50% less per page than colour lasers.¹
- Create vibrant colour graphics and sharp black text on a variety of paper sizes from A4 to A3.
- Produce water-, smear-, and fade-resistant prints that stand up to highlighters.⁹
- Print more black text and colour pages with optional Original HP high-yield ink cartridges.¹⁰
- Help your business stand out with borderless, double-sided marketing materials.

Easy mobile printing

- Easily connect this wide-format all-in-one with smartphones, tablets, and wirelessly-enabled PCs, so everyone in the office can print conveniently.^{2,3}
- Manage printing tasks and scan on the go with the HP All-in-One Printer Remote mobile app.¹¹
- Print directly from your mobile device to your Wi-Fi Direct printer—without accessing the company network.⁵
- Help protect data and access to confidential print jobs with HP JetAdvantage Private Print.⁸

High-impact A3 printing

Add versatile, wide-format printing to the repertoire of your office. Scan, copy, and fax from one device, and print eye-catching colour in a range of sizes—for virtually any business need. Automatic two-sided printing, fast print speeds, and a 35-page ADF help streamline your day.

Fast, efficient performance

Breeze through print jobs, using a printer equipped with automatic two-sided printing—up to A3. Complete tasks quickly and efficiently while saving paper and time. Get even faster performance for single-page documents—up to 22 ppm, black and up to 18 ppm, colour (A4).⁶

Two-sided scanning, copying, and faxing

Save time and eliminate hassle with single-pass, two-sided scanning, copying, and faxing. The 35-page ADF accommodates both A4 and 21.6 x 35.6 cm documents, helping you complete duplex jobs quickly.

Print longer without reloading paper

Print in high volumes with a paper capacity up to 500 sheets. This all-in-one features two input trays. Each tray holds up to 250 sheets and supports media sizes up to A3. Print on multiple paper types and sizes without having to stop and change paper.

Scan, send, simple

Send your work quickly to more places with less effort. Scan documents directly to your computer, to a memory device, or to email, right from the all-in-one touchscreen.

Manage tasks with just a touch

Easily manage print, scan, copy, and fax jobs directly at the all-in-one. Tap and swipe the smartphone-style colour touchscreen to access quick, customisable menu shortcuts.

Present
professionally.
And affordably.

Put your best foot forward with standout, high-quality colour prints that cost up to 50% less per page than colour lasers.¹

Impressive colour
print quality

Create vibrant, professional-quality colour graphics and sharp black text, perfect for office use and client presentations. Reliably print marketing materials, spreadsheets, tables, and documents on a variety of paper sizes from A4 to A3.

Produce durable
prints that last

Rely on Original HP ink cartridges to deliver durable documents that stand up to highlighters and resist water, smearing, and fading.⁹

More pages.
Better value.

Long-lasting ink cartridges need changing less often, saving money.

Enjoy a better value for frequent printing. When you choose optional Original HP high-yield ink cartridges, you don't just get deep blacks and rich colours—you get more pages for less.¹⁰

Stand out from
the crowd

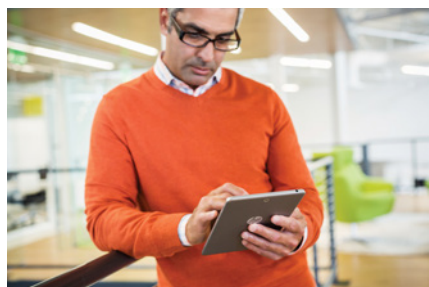

Attract new customers with borderless, double-sided marketing materials that help your business stand out. Choose HP Brochure papers to help you make a lasting impression.

Easy mobile printing

Accomplish more with HP mobile printing—built for the way you work. Easily connect your smartphone, tablet, or laptop and print brochures, flyers, menus, and more from anywhere in your office.²

Your device.
Your choice.

Easily print documents, emails, PDFs, and more from iPhones and iPads using AirPrint, as well as smartphones and tablets running Android™, Windows® 8/10, or Google Chrome™ operating systems—generally no setup or apps required.²

Control tasks and
scan on the go

Manage printing tasks and scan directly from your mobile device, using the HP All-in-One Printer Remote mobile app for smartphones and tablets.¹¹ Quickly send scans to email or cloud storage and check your ink status before you print.¹¹

Simply connect and
share resources

Built-in wireless and Ethernet capabilities make it easy to connect this all-in-one to your network, so everyone in the office can print conveniently.³

Help achieve a high
level of privacy
and control

Help increase privacy and maintain control. HP JetAdvantage Private Print⁸ helps prevent unauthorised access to confidential print jobs stored in the cloud. Users have the flexibility to pick up jobs at any compatible device with secure authentication.

Print from mobile
devices using
Wi-Fi Direct

Easily print directly from smartphones, tablets, and notebook computers to your Wi-Fi Direct-enabled printer—without accessing the company network.⁵ Save clients, guests, or visitors time by enabling an easy connection.

Notes

¹ Compared with the majority of colour laser AiOs < €280 excluding VAT as of June 2015; market share as reported by IDC as of Q2 2015. Cost per page (CPP) comparisons for laser supplies are based on published specifications of the manufacturers' highest-capacity cartridges and long life consumables. CPP comparisons for high-capacity HP ink supplies are based on published specifications of the manufacturers' highest-capacity cartridges. CPP based on high-capacity ink cartridges' estimated street price and page yield. ISO yield based on continuous printing in default mode. For more information, see hp.com/go/learnaboutsupplies.

² For details on local printing requirements, see hp.com/go/mobileprinting.

³ Wireless performance is dependent upon physical environment and distance from access point. Wireless operations are compatible with 2.4 GHz routers only.

⁴ HP recommends that the number of printed pages per month be within the stated range for optimum device performance, based on factors including supplies replacement intervals and device life over an extended warranty period.

⁵ Mobile device needs to be connected directly to the Wi-Fi Direct® signal of a Wi-Fi Direct-supported AiO or printer prior to printing. Depending on mobile device, an app or driver may also be required. For details, see hp.com/go/mobileprinting. Wi-Fi Direct is a registered trademark of the Wi-Fi Alliance®.

⁶ Printing speed measured using ISO/IEC 24734 and excludes first set of test documents. For more information, see hp.com/go/printerclaims. Exact speed varies depending on the system configuration, software application, driver, and document complexity.

⁷ Average yield based on ISO/IEC 24711 or HP testing methodology and continuous printing. Actual yield varies considerably based on content of printed pages and other factors. For more information, see hp.com/go/learnaboutsupplies.

⁸ HP JetAdvantage Private Print is available at no charge and requires that the printer be connected to the Internet with web services enabled. Not available in all countries. For more information, see hp.com/go/JetAdvantagePrivatePrint.

⁹ Water, smear, fade, and highlighter resistance based on ISO 11798 and internal HP testing. For details, see hp.com/go/printpermanence.

¹⁰ Based on cartridge yields for HP 953XL ink cartridges compared with HP 953 standard ink cartridges. For more information, see hp.com/go/learnaboutsupplies.

¹¹ Requires HP All-in-One Printer Remote mobile app download and is compatible with iPhone 4 and later, iPad 4th generation, iPad mini, iPad Air, iPod, and mobile devices using Android™ 4.0.3 or later. For a full list of supported operating systems, see hp.com/go/mobileprinting.
